

13th September 2016

Dear Parents,

KS2 – Eco Warriors Club

This term Mrs May and myself will be running an after school 'Eco Warriors Club' for children in KS2. This will be held on Thursdays, 3.15-4.15 pm for the remainder of the Autumn Term.

The club will include a mixture of educational elements as well as a range of practical activities, all with an emphasis on how we can care for our environment. The club will involve a mix of outdoor and indoor-based activities. Although the children will not be outside for every session, it would be useful if a forest school type kit is left in school to allow for session flexibility. They may get messy, so old clothes only.

If you would like your child to attend, please return the slip below by Friday 16th September. The first session will be held on Thursday 22nd September. You will be notified by Tuesday if your child has received a place and these will be given out on a first come first served basis, as spaces will be limited to 5 per class.

Yours sincerely

Miss Rolls

Please cut and return to school by 9am on Friday 16th Sept.....
