

20<sup>th</sup> September 2016

Dear Parents,

Overstone would like to offer all of the children in year six the opportunity to attend extra support/challenge sessions after school on a Tuesday from 3.15 - 4.15 pm. The sessions will begin on Tuesday 27<sup>th</sup> September and continue up until the end of year assessments in May 2017.

The aim of these sessions is to offer extra support or extension activities to enable all of the children to reach their full potential before they move on to secondary school. Initially, the focus will be on maths, but support and challenge in other subjects will be offered as the year progresses. The sessions will be led by myself but other teachers will also take groups during the sessions.

Help will also be offered for homework tasks during these sessions should it be required. If you would like your child to attend then please complete and return the reply slip below. If your child cannot attend a session, staff members must be notified beforehand. If a session has to be cancelled for any reason then parents will be notified by email or telephone.

Regards

Mr M McArthur  
Deputy Headteacher

---

I give permission for \_\_\_\_\_ to attend support/challenge sessions every Tuesday from 3.15 - 4.15 pm.

After the booster/challenge session s/he will walk home / be collected / attend after school club (please delete as necessary)
