

Infant School Newsletter Monday 12th June 2017

It was a shame that Infant sports day had to be postponed last Thursday due to the weather. This has been re-arranged for Thursday 22nd June, when hopefully the weather will be better.

This week we will be:

- Learning about how to use and read thermometers in Year 2 and solving word problems in Year 1
- Exploring in our Forest School sessions
- Sounding out and blending in phonics
- Learning about different animals from Northern America such as the wolverine, brown bear and grey wolf
- Writing factual information into reports using sub-headings
- Observing our seeds and discovering what makes plants grow
- Seeing how animals are suited to their natural habitat
- Continuing with our swimming lessons

Swimming

The children are really enjoying their swimming and are getting better every week. Please ensure that they are coming to school with two large towels. These are needed to keep children warm while they wait for their turn in the pool and dry them off afterwards.

Forest School

Forest school will continue to run on the normal days. Please ensure that your child comes to school equipped with the following: long sleeved tops and bottoms, waterproofs, wellies and hat and gloves. If the weather is particularly warm, Mrs May does allow the children to wear short-sleeved t-shirts in the Spring/Summer.

Toys in School

Children should not be bringing toys into school, as these cause problems with friendship groups and children become very upset if they get lost or damaged. There will be no 'show and tell' for the remainder of the term.

We hope that the lovely weather continues this term but we cannot stress enough the importance of the following items that your child requires on a **DAILY** basis:

A bottle of WATER

Sun hat and sun cream- it is best to apply this once before school and they can re-apply if necessary at lunch time.

Sports Day

Infant Sports day has been re-arranged for Thursday 22nd June 1.30 pm.
