

### With Miss Smith and Ms. Pascoe

This week we have been practising our graduation play. The children have all been working hard to learn their lines and dances. We have all been busy making some fabulous props ready for the performance on the 7<sup>th</sup> July. The children have been reading the story of 'Rosie's Walk' and talking about the characters. This week we have all been working hard in phonics learning the ow and ur sound. In the afternoons the children have been talking about what they have enjoyed this year and have written about it for their reports.

### With Mrs Bendall

This week, we have based some of our activities on The Little Red Hen. The children baked sour-dough bread with Mrs Dallas, which we enjoyed eating at Snack Time. We have also talked about sharing and helping each-other, unlike the creatures in the book! On Monday, we had the most enormous puddle in our outdoor area and had lots of fun sweeping, splashing and building boats. We would be very grateful if all children could bring a spare set of clothes with them to Nursery everyday, especially socks, as we have now run out of spares! The children have also enjoyed playing parachute games in the hall and are incredibly sensible when walking to the hall quietly, taking off socks and shoes and placing them tidily and following instructions carefully. Well done!

### Home Activity Books

A new activity has been sent home today.

### Next Week

Reception children will continue to practise their Graduation play.

**We still need a number of costumes for our performance. If you are able to bring in any items we are looking for we would really appreciate it. We need all costumes in no later than the 29<sup>th</sup> June.**

**Please remember that toys are not supposed to be coming in to school. Please leave them at home.**

Now the weather is getting warmer we encourage the children to bring in sun cream and sun hats. Throughout the day the children are reminded and encouraged to put their hats on and to apply sun cream. Water is always available in the classroom throughout the day for the children to help themselves.

### Reception Graduation Tickets

Due to the number of children taking part, audience numbers have to be restricted, so children will be issued with 2 tickets each. If you do not require both, please return any spare tickets to the office so they can be reallocated fairly. You can request extra tickets at the office, (a maximum of 2 extra per family) and you will then be added to a reserve list. These will not be confirmed or released until close to the performance date.
