

KS1 School Newsletter Monday 11th June 2018

This week's Behaviour Award winners were:
Samantha, Matthew S and Dexter.

This week we will be:

- Continuing to learn about Australia through Aboriginal stories.
- Writing our own limericks.
- Designing a boomerang.
- Learning about Captain James Cook.
- Developing our problem solving skills in Maths, by using bar models.
- Developing our coordination and movement skills in PE.

The children have been fascinated about the differences between the UK and Australia, particularly the different animals you can find there. They were also enthusiastic about their Geography work on the different parts of the UK.

Uniform

Please take a moment to check that all items of your child's uniform are named. We have had a few things accidentally picked up by other children and naming items will ensure they are returned to the correct child more quickly.

Homework

Thank you for your support with homework this term and ensuring that your child has returned it to school. The next batch of homework tasks will be sent out by the end of this week.

Warm Weather

With the warm weather thankfully upon us, please ensure your are sending your child in with named water bottles, sun hats and sun cream, where appropriate. We encourage children to drink regularly throughout the day and aim to top up water bottles when finished; children always have access to water in class, at the fountains and in the lunch hall.

Dates for your diary

'Doughnuts with Dad' - Friday 22nd June

Inset Days- Friday 6th and Monday 9th July - school closed to children

Last Day of Term- Tuesday 24th July

If you have any questions, please don't hesitate to contact us.

Kind regards

The KS1 School team
